(2) The voter shall then write his name and number inside the envelope and hand it over to the polling officer.

(3) The polling officer shall see that the name and number of the voter are legibly entered, place the envelope, and it or sign across the flap and give it to the voter and at the same time affix his initials against the name of such person in the list of voters.

(6) Every candidate may himself attend or may appoint an agent to attend the counting of votes.

(7) The polling officer shall, at the close of the poll, send the ballot box duly sealed and secured and the list of voters in which he has written his initials against the names with reference to clause (3) supra to the Divisional Officer.

(8) At the polling on objection to any intending voter shall be admitted, except on the following three grounds:—

(10) The polling officer shall, at the close of the day, transmit to the Divisional Officer a list of the objections to voters admitted by him during the day; any candidate or voter on the circle list may present written objections to the Divisional Officer not later than five o'clock on the first day of the day after the poll, or within such longer period as the Divisional Officer may by general or special order allow and the Divisional Officer shall, after hearing and deciding upon all such objections and recording his decision in writing, and informing any candidate, or agent of a candidate, who may appear before him and express a wish to be present, of the time and place at which he will begin to count the votes, ascertain the totals of the votes given in each circle and record the result of the election, specifying the number of valid votes given to each candidate in a list signed by him as soon as may be and at least within three days from the day of poll and shall cause a copy of the said list to be affixed in a conspicuous position in the divisional office.

(11) Every candidate may himself attend or may appoint an agent to attend the counting of the votes.

(12) The Divisional Officer shall as far as possible proceed expeditiously with the counting of the votes and shall during any necessary intervals place the voting papers and other documents relating to the election under his own seal and the seals of each of the candidates or agents of the candidates as desired to affix their seals.

28. The candidate or, if there is more than one vacancy, as many candidates as there are vacancies, for whom the greatest number of votes shall have been given in the circle, shall be deemed to have been elected.

29. (1) If any person has been elected for more circles than one he shall, within 24 hours from the date of the list of such elections furnished to the Divisional Officer the circle for which he chooses to serve.

(2) In default of such intimation the Divisional Officer shall notify the circle for which such person shall serve.

(3) The said person shall be deemed to have been elected for the circle so chosen or notified as the case may be; and thereupon the voters of the other circle or circles for which such person has been elected shall proceed to elect a member to the vacant berth or berths provided.

30. If there is an equality of votes between two or more candidates, the Divisional Officer shall after notice to the candidates concerned decide by drawing lots which candidate shall be deemed to have been elected.

If no vote has been cast or if no valid vote has been given in favour of any candidate, the vacancy shall be filled by the President of the District Board.

31. The Divisional Officer shall preserve all voting papers and other documents relating to the elections for three months after the publication of the polling list except the list of voters supplied to the polling officer under rule 25 which shall be retained for three years.

31. On application by any candidate made within three days after the publication of the polling list, the Divisional Officer shall cause a memorandum to be prepared specifying the names of all voters who voted in any election, the number of valid and the number of rejected votes given to each candidate and the reasons for rejection. Copies of such memoranda shall, on payment of such reasonable fee as the Divisional Officer may determine, be supplied to the applicant and to any registered voter.

32. The validity of any election may be questioned by a petition put in before the Collector of the District or the Divisional Officer within fifteen days after the result of the election has been declared, by any candidate who has not withdrawn, or by not less than ten persons who have voted at the election on any of the following grounds—

- (a) that the person whose election is questioned was at the time of the election disqualified under rule 15 or rule 18;
- (b) that the Divisional Officer improperly admitted or rejected a nomination;
- (c) that the person whose election is questioned was not duly elected by a majority of lawful votes;
- (d) that fraud, intimidation, or bribery was practised at the election;
- (e) that the person whose election is questioned is likely to bring the local fund administration into contempt or that his being a member of the public board is dangerous to the public peace or order;
- (f) that an objection to the election shall be entertained on the ground that any voter or candidate whose name is entered in the current electoral register did not at the time of the election possess the general qualifications prescribed in rules 4, 5, 6 and 7 above.

The Governor in Council or the Collector may however himself take action on any facts affecting the validity of an election which may come to his notice, either within or after the expiry of this period, whether a petition has been presented or not.

33. The Collector or the Divisional Officer may, at his discretion, require any objector or objectors to deposit a sum of not more than Rs. 50 which will be subject to forfeiture if the petition is found to have been made without satisfactory reasons or to be frivolous or vexatious.

34. Objections to the validity of an election on the ground specified in rule 33 (b) and objections on the ground of disqualification under rule 16 (4) and all cases which involve an interpretation of the rules shall be referred by the Collector for the decision of the Government, which shall be final. In all other cases of objection under rule 33 an enquiry shall be held by the Collector or at his direction by the Divisional Officer, at which the contending parties shall have an opportunity of appearing in person or by representative, and action shall be passed on the result of the enquiry by the Collector, who may, at his discretion, dismiss the petition or, if he finds the election invalid, either order a new election or declare that the candidate who obtained the next highest number of votes to the candidate or candidates disqualified or found not to have been duly elected has been duly elected.

Provided that before declaring such next candidate to have been duly elected, the Collector shall notify his intention to do so to the other candidates and the petitioners who have lodged the election and shall consider any objections which may be lodged by them in writing within ten days from the date of such notice.

No appeal shall lie against the orders of the Collector passed under this rule.

35. If no objection has been raised within the period fixed in rule 33 or under rule 35 or when any objection so raised has been disposed of, the name of the candidate duly elected shall be forwarded by the Collector to the Superintendent of the Government Press for publication in the Port St. George Gazette and the candidate shall enter on his functions as a member of the Public Board from the date of such publication. But if, subsequent to the date of election but prior to that of notification, an elected candidate dies or becomes subject to any disqualification which, if it had existed at the time of his election, would have rendered him ineligible under these rules, the Governor in Council may order either that the candidate who obtained the next highest number of votes be appointed or that a fresh election be held. Such order of the Government shall be final.

36. A candidate who has been duly elected may submit his withdrawal in writing to the Divisional Officer at any time before his appointment is gazetted under rule 35. In such case, the candidate who has obtained the next highest number of votes shall, subject to the provisions of rule 35, be deemed to have been elected unless the Government shall direct that a fresh election shall be held. No candidate who has submitted his withdrawal may subsequently cancel it.

| (ii) when, at the time of hearing, applications for printing and payment of printing charges have been made by the successful party .. | 25 |
| (iii) In all other cases on the Appellate side of the High Court not otherwise provided for and not being applications mentioned in rule 42 .. | 20 |
| (b) In appeals to District or Subordinate Judges' Courts from original decrees:— | |
| (i) When decided after contest .. | 20 |
| (ii) When decided <i>ex parte</i> , or withdrawn, or compromised before trial .. | 10 |

Provided that this rule shall not apply to appeals of re-appals disposed of by a second judgment, and that the fees payable in such instances shall be at the discretion of the Court subject to rules 21 to 24.

26. The words "the amount or value of the claim" in rules 21 to 24 mean the value as set forth in the plead or memorandum of appeal, and, where such value is payable in return, the value as which such costs are paid, and "Appel" includes memorandum of appeal objections.

27. Provisions of a rule in the amount or value of a claim are to be rejected in calculating the fee payable thereon.

28. In cases in which the subject-matter of the claim does not admit of valuation, the Court, or, in the case of the High Court, the Trial Judge, shall fix a reasonable fee, regard being had to the time involved in the preparation and hearing of the case and the nature of the questions raised therein as also to the amount fees prescribed by rule 25.

29. If several defendants or respondents, who have a joint or common interest, succeed upon a joint defence, or upon separate defences collectively the cost, not more than one fee shall be allowed, unless the Court shall otherwise order for a reason which shall be recorded in the judgment. If only one fee be allowed, the court shall direct in which of the defendants or respondents it shall be paid, or shall apportion it among the several defendants or respondents in such manner as the court shall think fit.

30. If a small defendant or respondent who has separate interests, set up separate and distinct defences and succeed therein, a fee for one legal practitioner for each of the defendants or respondents who shall appear by a separate legal practitioner may be allowed in respect of the separate interest. Such fee, if allowed, shall be calculated with reference to the value of the separate interest of each defendant or respondent, in the manner hereinafter prescribed.

31. On the Appellate Side of the High Court (except in appeals from the Original Side) in cases of appeal, a Deputy Registrar or the Judge or Clerk deputed of an appeal or other letter may on the application of a party direct that (1) a higher fee than would ordinarily be admissible under these rules be allowed, (2) two sets of fees be allowed to a party who has engaged more than one Advocate, Valuer or Attorney, and the Trial Judge shall thereupon allow to that party a second fee equal to half the fee that would ordinarily be admissible under these rules.

32. For each fee allowed under the three last preceding rules, the value of the stamp on the valuations only shall be recorded as costs.

33. On the Appellate Side of the High Court, in all interlocutory applications in pending appeals or other matters and in all miscellaneous applications after their disposal, which are decided in the month after receipt, the Trial Judge shall fix a reasonable fee not to exceed Rs. 10.

44. Except where an adjournment is made with the consent of all parties, or where from necessity of which, a party has not had reasonable time to prepare himself for trial, or where the adjournment is necessitated by a cause beyond the control of the party, an adjournment shall not be granted save on the condition that the party applying pays all the costs of the day, including a reasonable fee to the legal practitioner engaged by his adversary. In a District Magistrate's court, a case not exceeding Rs. 5, in a Subordinate Judge's Court or a District Court, a case not exceeding Rs. 15, and in the Appellate Side of the High Court a case not exceeding Rs. 25, shall be deemed to be a reasonable fee within the meaning of this rule.

45. The fee allowed on the percentage scale for presenting or defending a writ or appeal in courts subordinate to the High Court is intended to cover all proceedings up to decree; and where a writ or appeal is reversed for rehearing and disposed of for a finality, in such case, the proceedings on rehearing must be regarded as a further proceeding in the hearing of the writ or appeal, and no further fee can be allowed in respect of such proceedings.

9. The following special conditions will be included in the agreement for the supply of tea to the Republic of South Africa:—

(1) The tea should be equal to the Supply and Transport sample (which can be seen by the tenderer at the Supply Reserve Depot, the Bank, Madras, or at the nearest Supply and Transport Depot, i.e., at any one of those named below) and free from odour, presence of dust, dirt, stem, weed and bits of very poor quality and will have to be passed by an expert as satisfactory for issue to British Troops, and shall be contained in strong portable boxes (but not of woven or cotton wood) lined with sheet lead and well secured and it is recommended that the tea of the tenderer shall be securely sealed down and according to the sample which the tenderer must inspect in the Supply Reserve Depot, the Bank, Madras, or in any Supply and Transport Depot. Boxes measuring inside 2' 3" x 1' 7" x 1' 5" and weighing with sheet lead not more than 16 lb. 4 oz. (sheet lead 4 lb. 5 oz. and box about 22 lb.). The weight of each box with lead foil will not be slightly in excess of this mention in the aggregate weight of the tea including lead should not exceed 4 lb. for instance 2 lb. more or 2 lb. less may be accepted. Empty tea chests and lead will become the property of Government.

10. Alternative rates may also be quoted for tea packed in woven and thoroughly serviceable boxes of ordinary commercial pattern, to be treated by tea, instead of in the agreement being borne above described, but it should be clearly specified in the offer what style of packing is intended for. These boxes should also be marked as per paragraph 7 above.

13. A fair average two pound sample of tea should be sent to this office a week before the tender is opened.

14. Any further information required may be obtained on application to this office between the hours 11 a.m. and 5 p.m. (Sundays and Holidays excepted).
